

## Amwell View Network Event 5<sup>th</sup> February 2019

Amwell View SLD School in St Margarets, Stanstead Abbots warmly welcomed members of HertsCam to the third Network Event of the 2018-19 school year. The school has an amazing state of the art sensory space, and HertsCam members were given the opportunity to view these fantastic facilities in action. [www.amwell.herts.sch.uk](http://www.amwell.herts.sch.uk) The inclusive nature of HertsCam was clearly displayed in the wide range of school experience and settings represented.

The programme was opened by Lisa Dillon, Assistant Headteacher at the school and HertsCam MEd 2016-18. Natasha Freeman, a teacher at Amwell View and a participant on the HertsCam MEd 2016-18, provided the main address and passed on a number of insightful thoughts from her own experience of studying on the HertsCam MEd. David Frost led the call for us to celebrate the success of Sarah Lightfoot HertsCam MEd Programme Manager, and Gulmira Qanay HertsCam Associate, who have both recently completed their EdD studies. A real inspiration to us all.

There was a vibrant atmosphere in the hall during the Poster Gallery Walk session, with post-it note contributions; sharing, shaping and building knowledge.

The second session provided an insight into a range of enquiries, provoking discussion and the sharing of ideas for colleagues leading the workshops and providing further Poster Gallery opportunities. Project foci included: 'Developing strategies to enable quiet pupils to demonstrate enquiry skills' and 'A project to evaluate the methods of intervention on underachievement used in year 11'.

**Presenting my poster, I met some amazing people with great skills and ideas (Alex)**

**Great talk – very inspiring (Zoe)**

**Great ideas and lovely to see a teacher and TA work as equals (Sam)**

**Great to hear how useful it is to talk to other practitioners (Allison)**

Thanks to Lisa Dillon for hosting, to Hollie Bolter for supporting the organisation of the event and to everyone who contributed through posters and workshops. Feedback will be discussed at the next Management Meeting

**We look forward to welcoming you to our next Network Event on Tuesday 12<sup>th</sup> March hosted by Maple Cross JMI School, Denham Way, Rickmansworth, WD3 9SS**
