HertsCam: 20 years in the making

Friday 12th July, 2019

An event at Wolfson College, Cambridge

Come to reflect, celebrate
and help to set the direction for the future

Symposium 5.45pm– 7.00pm (refreshments available at 5.30pm)

Gala dinner 8.00pm – 10.00pm (drinks reception at 7.30pm)

In 2019 we will be looking back on a 20 year journey. The seeds of the HertsCam Network were sown in 1999, making 2019 a good time to reflect on what we have achieved, to celebrate and look ahead to what we might want to become in the future.

This reflection and celebration is in two parts: a symposium and a gala dinner.

The **symposium** features an exhibition together with critical discussion of key steps in the evolution of the network since the seeds of Network were sown in 1999.

The **gala dinner** and preceding a drinks reception will an opportunity to celebrate what has been have achieved in this 20 year journey.

You are invited to participate either in the symposium only (free of charge) or in both the symposium and the dinner (£40 per head).

Overnight accommodation at the College is also available
